

VALTERRA PLATINUM COOKIE NOTICE

Valterra Platinum (Valterra) uses cookies and similar technologies on <https://www.valterraplatinum.com/> to make the Site work, improve user experience, understand how visitors use the Site, and, where permitted, deliver relevant content and measure marketing effectiveness. Cookies may be first-party or third-party and may be session-based or persistent. They are grouped into strictly necessary cookies, which enable essential functions such as navigation, security, load balancing and remembering cookie choices, and non-essential cookies, including preference or functional cookies, performance or analytics cookies, and targeting or marketing cookies.

Valterra manages cookies in line with applicable consent and transparency requirements under POPIA, Zimbabwe's Cyber and Data Protection Act, China's Personal Information Protection Law (PIPL), Singapore's Personal Data Protection Act (PDPA), and the UK GDPR and Privacy and Electronic Communications Regulations (PECR), applying the highest applicable standard where requirements differ. Strictly necessary cookies are active by default because the Site cannot function properly without them. All other cookies are disabled unless and until the user gives clear, affirmative consent through the cookie banner or preference centre; Valtterra does not rely on pre-ticked boxes, continued browsing, scrolling, or closing the banner as consent. Users may accept all cookies, reject non-essential cookies, or choose by category, and consent is requested before non-essential cookies are placed. Additional protections apply where cookies involve sensitive personal information, electronic direct marketing, children's data, or transfers of personal information outside China or other relevant jurisdictions.

Users remain in control of their cookie choices and may change or withdraw consent at any time through the "Cookie settings" link, browser settings, device-level privacy controls, or third-party opt-out tools, without affecting the lawfulness of processing carried out before withdrawal. Some cookie providers may be located outside the country from which the user accesses the Site, and where cross-border transfers occur, Valtterra applies appropriate safeguards such as transfer agreements, recognised contractual clauses, adequacy or comparable-protection assessments, and any required additional consent. Depending on the applicable law, users may have rights to access, correct, delete, restrict or object to processing, withdraw consent, request explanations of automated decisions, obtain portability where applicable, and lodge complaints with the relevant supervisory authority. Questions, rights requests, or complaints about Valtterra's use of cookies should be directed to the Information Officer or Data Protection Officer at dataprotection@valterraplatinum.com.
