Anglo American Platinum Dividend Declaration and Additional Dividend Declaration

The Board is pleased to advise that at its meeting held on 13 February 2025, the directors approved the declaration of a final gross dividend for the year ended 31 December 2024 of R16.5 billion or R62 per share on the ordinary shares of the Company. The gross dividend is made up as follows:

- R0.8 billion or R3 per share (300 cents per share) representing a base dividend ("ordinary dividend") equal to 40% of the headline earnings in line with the Company's dividend policy; and
- R15.7 billion or R59 (5,900 cents per share) per share representing an additional cash dividend ("additional dividend").

The gross dividend has been declared from retained earnings generated from profits typical of ordinary trading activities.

The dividend will be subject to a dividend withholding tax of 20% for all shareholders who are not exempt from, or do not qualify for a reduced rate of withholding tax. The net dividend payable to shareholders, subject to withholding tax at a rate of 20%, amounts to R49.60 per share split up as follows:

R2.40 per share (240 cents per share) (R3 ordinary dividend per share less R0.60 withholding tax per share),
R47.20 per share (4,720 cents per share) (R59 additional dividend per share less R11.80 withholding tax per share).

The issued share capital at the declaration date is 265,292,206 ordinary shares and the Company's tax number is 9575104717. The salient dates are as follows:

Anglo American is a leading global mining company focused on the responsible production of copper, premium iron ore and crop nutrients – future-enabling products that are essential for decarbonising the global economy, improving living standards, and food security. Our portfolio of world-class operations and outstanding resource endowments offers value-accretive growth potential across all three businesses, positioning us to deliver into structurally attractive major demand growth trends.

Our integrated approach to sustainability and innovation drives our decision-making across the value chain, from how we discover new resources to how we mine, process, move and market our products to our customers – safely, efficiently and responsibly. Our Sustainable Mining Plan commits us to a series of stretching goals over different time horizons to ensure we contribute to a healthy environment, create thriving communities and build trust as a corporate leader. We work together with our business partners and diverse stakeholders to unlock enduring value from precious natural resources for our shareholders, for the benefit of the communities and countries in which we operate, and for society as a whole. Anglo American is re-imagining mining to improve people's lives.

Anglo American is currently implementing a number of major structural changes to unlock the inherent value in its portfolio and thereby accelerate delivery of its strategic priorities of Operational excellence, Portfolio simplification, and Growth. This portfolio transformation will focus Anglo American on its world-class resource asset base in copper, premium iron ore and crop nutrients, once the sale of our steelmaking coal and nickel businesses, the demerger of our PGMs business (Anglo American Platinum), and the separation of our iconic diamond business (De Beers) have been completed.
