

RUSTENBURG SOCIAL & LABOUR PLAN & CSI PROJECT LAUNCH

MARCH 2017

Anglo American Platinum recognises that it has a responsibility to work together with government and civil society to help improve the lives of employees and community members, most importantly to do so in a way that empowers for a sustainable future.

The Company's SLPs are aimed at promoting economic growth, promote employment and the advancement of social and economic welfare and ensuring that the Company contributes towards the socio-economic development of the areas in which we operate in. Our SLP projects are focused on Education & Skills Development, Healthcare, Infrastructure Development, Agriculture and Enterprise Development.

In Rustenburg and Labour Sending areas, Anglo American Platinum initiated and completed 19 projects to the tune of R257.4 million since 2010 and through these projects over 800 local community members were afforded opportunities to get-on-the-job skills transfer through contractual employment. The Company ensures that local contractors are appointed in order to boost the local economy, in cases where there is no capacity available in the community, contractors are obliged to sub-contract and transfer skills to local contractors.
